Advances in Nonproliferation Technology
and Policy Conference (ANTPC) 2018

Sponsorship & Exhibitor Packet

American Nuclear Society
Fuel Cycle & Waste Management Division

September 23-27th, 2018 · Wilmington, North Carolina

Message from the Sponsorship Chairs

Dear Potential Sponsors & Exhibitors,

Thank you for your interest in the 2018 American Nuclear Society's Advances in Nonproliferation Policy and Technology Conference (ANTPC 2018). We appreciate your time to review the attached sponsorship & exhibitor information. We are looking forward to welcoming the nuclear nonproliferation science, policy, and technology experts, and wider community to North Carolina in September 2018. The conference will take place at the Hilton Wilmington Riverside, 301 N Water St, Wilmington, NC 28401, September 23-27th 2018. The ANTPC is expected to welcome a large number of attendees and your generous support is absolutely paramount for the success of the meeting. This meeting will give you a unique opportunity to expose the meeting attendees to your capabilities and products currently available on the market, as well as receiving a valuable feedback on your product lineup and potential needs of your existing and new customers.

Sincerely Yours,

Marek Flaska

Benefits of Sponsorship

The theme of the 2018 ANTPC is nuclear nonproliferation technology research and development, policy formulation and implementation, and the nexus of these two enterprises. Our conference will highlight many relevant nuclear nonproliferation technical and policy issues, such as identifying the path towards novel technical solutions for the field, as well as the novel policy steps needed to substantially improve the impact of nonproliferation efforts worldwide. In addition, this meeting will also be aimed at supporting the upbringing of the new generation of experts we so desperately need in the field of nuclear nonproliferation. Your active meeting participation as a sponsor or exhibitor will not only help us highlight these issues, but also provide your company or organization with a unique opportunity to engage with a large number of renowned experts and highly skilled students.

Herewith we invite you to review sponsor and exhibitor possibilities listed below to see if there is an option that suits your company's or organization's needs. We look forward to working with our sponsors and exhibitors individually, to address and tailor their specific requests and ideas. This meeting cannot succeed without your active commitment, and we hope that together we will help each other achieve meeting objectives and expectations.

Note on Limited Sponsorship & Exhibitor Benefits

Some benefits listed in the sponsorship and exhibitor package are limited; if a benefit is unavailable, then we will work with any potential sponsors and exhibitors to find comparable benefits, should the need arise. We encourage our sponsors and exhibitors to select a desired package at their earliest convenience in order to guarantee the listed benefits. Limited options will be handled on a first come, first serve basis.
